Dear Supporter,

With the help of our friends and supporters for the past 20 years the Children's Bereavement Center (CBC) has provided free grief support groups for thousands of people, empowering children, teens, adults, parents and caregivers to build resilience and hope after the loss of a loved one. The CBC is now serving Miami-Dade, Broward and Palm Beach counties at 10 sites, in collaboration with VITAS Healthcare.

On our 20th Anniversary, we invite you to join us on Saturday, May 11, 2019 at *Rockin' on the Green*, as we celebrate two decades of service to the community. Please consider an event sponsorship or a donation to our auction; CBC sponsors and auction donors will be acknowledged at our event, in our marketing materials and online platforms.

The event will take place at the Donna E. Shalala Student Center on the University of Miami campus and welcomes over 500 guests. Highlights of the evening include a delicious catered dinner by Chef David Schwadron, live music and exciting auction items! We will also honor a few exceptional people who are true leaders in the community.

Your generous support is needed to continue the vital work we do year round. The CBC is South Florida's only non-profit center dedicated to helping grieving children and families and the need is great, as 1 in 5 school-aged children experience a significant loss before they enter high school. Of those children, 1 in 4 will lose a parent.

You can help us change the course of lives after loss and provide support when people need it most. In all our years of service we've learned that grief is meant to be shared and we work hard to ensure people have a place to share their grief – here at the CBC.

We look forward to seeing you at *Rockin' on the Green*!

With gratitude,

Chira Cassel, MAPP
